Getting to Magnific Rock from the airport

The airport to fly into is the one in Managua. We will provide a shuttle to transport guests from the airport to our place. The journey is between 2-3 hours. Shuttles fit up to 15 people.

Additional Shuttles may be organized for the following prices:

- \$100 usd per 4-person car
- \$180 usd per 15-person minivan

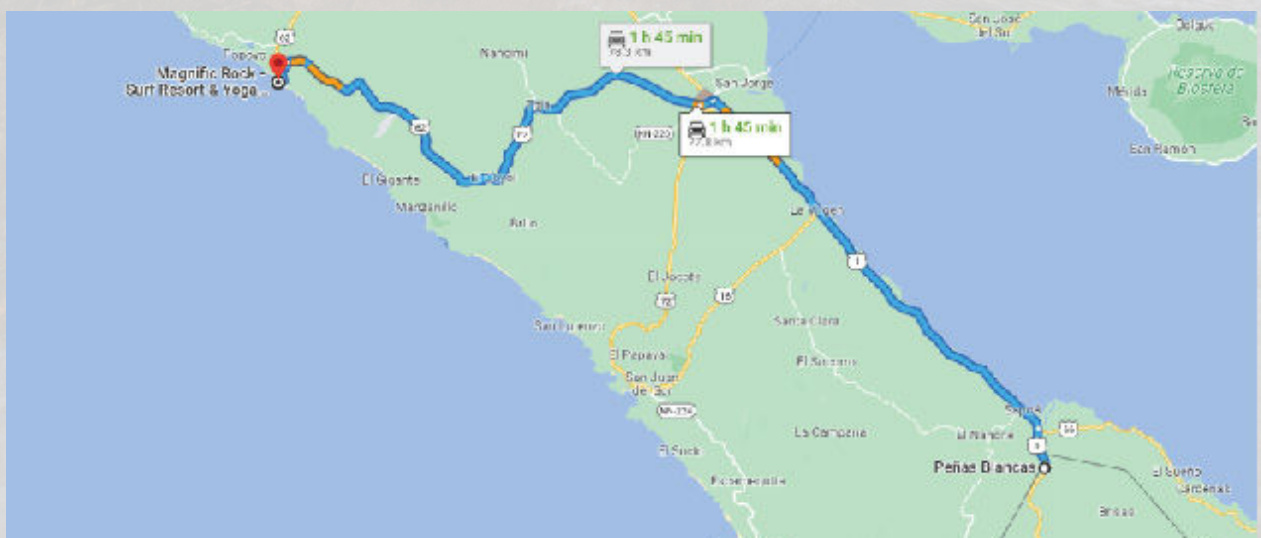

Getting to Magnific Rock from Peñas Blancas

Peñas Blancas is the Nicaragua - Costa Rica border. Due to costs it's very common nowadays to fly to Costa Rica's Airport in Liberia.

We include transportation from Peñas Blancas to Magnific Rock and the other way around. We don't include transportation from Liberia Airport to Peñas Blancas, but we can help you arrange it.

Peñas Blancas is a very easy, safe and cheap border to cross. The whole process is less than \$30 USD.

Additional Services

These can be added to the group booking package, or arranged for guests separately during the stay:

- Surfboard or stand up paddle board hire.
- Beach horse riding. » Local community tours/ Cultural Tour.
- Boat surf trip or fishing trip.
- Sailing Trip
- Excursions to Granada, San Juan del Sur or Masaya volcano and the Craft Market.
- Karma Yoga Activity, such as beach clean-up with local children, or visit to the local school. Our involvement with Las Salinas community is a highlight for us at the hotel.

An aerial photograph of a large, multi-story building with a prominent red roof, situated on a steep, rocky cliff. The building is surrounded by lush green vegetation. Below the building, a paved parking area contains several vehicles, including a white SUV and a dark car. The ocean is visible in the background, with waves crashing against the base of the cliff. The sky is a deep blue, suggesting a clear day.
